Wax apple

Observe

Choose 1–3 tasks. Point, say or draw; writing is optional.

1 · Look

Compare the stalk end with the other end. Which is wider?

Teaching illustration. Compare with real subjects from a distance.

2 · Look

Find a pair of leaves on the same stem.

3 · Record

If there is no fruit, what other parts can you observe?

4 · Write

Find “fruit”. Say it; write if you wish.

fruit

5 · Draw

Draw a leaf, flower or fruit you saw. Mark one feature.

6 · Record

Today I saw: leaf / flower / fruit
Different from the picture: ____
I wonder: ____
